Well, that's good to hear, Jean! And it's my pleasure. 😊

Also...since I'll be off on Friday, I'll create the next Due Date Report tomorrow.

Laura

I forgot to thank you for this one in particular – the Northwest Training one nearly gave me a heart attack! Turns out, it's a Region 10 lead, but shows up in our eNEPA. It's good to do these checks! Thank you, thank you, thank you.

Hi Jean and Connell,

Attached is the current Due Date Report. Below are the projects in eNEPA that are not in the NEPADS report:

- Point Reyes National Seashore General Management Plan Amendment
- Northwest Training and Testing Activities Final Supplemental Environmental Impact Statement/Overseas Environmental Impact Statement
- Malibu Creek Ecosystem Restoration Study
- Port of Long Beach Pier B On-Dock Rail Support Facility Project

- California High-Speed Rail: San Francisco to San Jose Project Section: Draft Environmental Impact Report/Environmental Impact Statement

Have a good weekend!

Laura
